

Thursday, November 23rd was Thanksgiving Day !

It's a North American celebration to give thanks to the native Americans for the welcoming food they gave the English Pilgrims when they landed on the New World ground in 1620.

Today, the EURO class pupils decided to throw a Thanksgiving party.

We invited some teachers and school staff to share food with us and they even prepared surprises for the party : a chocolate cake, cranberry juice and

Christmas biscuits !!! Mr Candice and Misses Roger, Jolivet, Rey, Hays are the best !

Miss HERRY cooked a whole turkey served with cranberries

sauce, pumpkin and potatoes. She also brought green vegetables. Tapez une équation ici.

Laura made some lemonade to drink and Dylane and Magib bought Cherry Coke. Others had Cheetos crisps, so crunchy ☺

Lou had some pop corn and Jérôme baked delicious cookies which melted in the mouth !

We could try Lucile's chocolate muffins and Alice's brownies : it was absolutely awesome !
red berries

Davio and Maisala brought loads of crêpes which smelt really good !!!!

Melina made a pumpkin pie for us to taste : some liked it and some did not but that was a new experience for most of us !

We had a lot of fun ! ★
